The AFA Stallion Breeding Report must be prepared by the stallion owner or agent and signed and returned to the AFA by November 1 of the breeding year. This report must be filed for every stallion that has serviced a mare or shipped semen during the current year. If a stallion is registered or documented with the AFA at any level, and used for breeding purposes, he must also have a completed breeding report on file with the AFA before registration of offspring will be performed. A yearly breeding report fee of \$25 is due with this report. All mares, of any breed, serviced by the stallion must be included.
